

Artificial Conversations A Workshop on Law & AI

9-10 June 2026

Aula Baldo degli Ubaldi, Palazzo Bo

Via 8 Febbraio, 2 - Padova

The initiative convenes scholars from various universities to present and discuss topics of common interest that revolve around the intersection between AI and Law. Participants will present their current research projects and receive feedback. Those who are interested can send their drafts in advance so they can receive more detailed comments. The program also offers the chance to identify potential partners for future research projects.

All participants are kindly requested to send an abstract of their project at least five days in advance to andrea.pin@unipd.it; the abstracts will be circulated before the workshop among the participants. Each participant will have 10 minutes to present; 10 minutes of Q&A will follow after each presentation.

Participants & Schedule

June 9, 2026 3.00 pm-6.00 pm

Greetings

Andrea Pin & Peter Petkoff
